The Lucie Foundation's three fold mission is to honor master photographers, to discover and cultivate emerging talent and to promote the appreciation of photography worldwide. The photography communities from countries around the globe pay tribute to the year's most outstanding photographic achievements at the annual Lucie Awards ceremony. The Foundation presents year round programming in Los Angeles, Florida and New York and addresses the needs of high school students through Snapshot!, emerging photographers through E-pprentice, an online mentoring program, and provides financial support through the Lucie Scholarship Program to both an emerging and professional photographer. The sister effort of the Foundation is the International Photography Awards, where the winners of the Photographer of the Year, the Discovery of the Year and Deeper Perspective Photographer of the Year are announced at the Lucies and are awarded cash prizes and statues.
